SIR,

In continuation of my letter No:RHC.172/24-25 dated the 1st instant, regarding interpellation of Mr. Nandi Sonnappa, Chikballapur Taluk, I have the honor to state that the accounts of the Taluk office were caused to be checked by an official of my office and the results arrived at have been shown in a tabular statement which is herewith submitted.

2. It will be seen from the same, that the accounts of the institution available in the Taluk show that there is a net balance of Rs. 2,419-5-10 at the credit of the temple, after deducting all the expenditure on account of the Jatras, Car-festivals, improvements to the temple, investments in Government securities and Railway Debentures, loans and contributions from this temple to other institutions.

3. A sum of Rs. 4,145-0-0 being the interest earned on the sum of Rs. 12,500 invested in Government Security loan of 3½% has to be added to the above balance, as this sum has not been credited to the institution funds, owing to the Comptroller's authorisation in this behalf not having been received for some years past. If this sum is taken into account, the actual balance will be Rs. 6,514-5-10.

4. As there appears to be some discrepancy in the Taluk office accounts, as compared with the figures furnished by the Comptroller, a special audit of the accounts ordered by him is

necessary

in order to reconcile the differences in the accounts.
